**RESERVATIONS**

Reservations are not required for rentals. However, we strongly recommend reservations in advance.

**RENTAL TIME**

Depending on the availability of the equipment, party equipment rental rates are based on the customer receiving order one day prior to the event and returning the equipment one day after the event. Late fees will apply for items not returned as scheduled. Most prices quoted are for one day. At your request long term rates are available.

**DELIVERY TERMS**

There is a delivery charge for delivery and pick-up. Deliveries will be made to a mutually suitable location. Items are to be assembled at same location for pick-up. Extra charges will be added to the standard delivery fee for elevator, steps, areas not easily accessible to the delivery vehicle and excessive time involved. Extra charges will be added for exact-time delivery and pick-up.

**EQUIPMENT SET UP/TAKE DOWN**

Set up and take down service is available at an additional cost. Please request in advance.

**MISSING/DAMAGED EQUIPMENT**

We recommend counting your equipment at the time of rental and report any shortages or damages immediately and before your event in order to avoid penalty fees. The customer is responsible for any rental equipment not returned on time. The customer will be charged for missing and damaged items including linens torn, burned or ruined by stains. The customer is responsible for items from time of pick-up to return, therefore please ask a reservation specialist on proper care and policy of each item for which they are planning to rent.

**CLEANING**

All equipment is ready to use when you receive them. All equipment except linen should be returned clean and in their *original* container. Dinnerware and items involving food, beverage of like-kind substance should be rinsed refuse-free. If you choose not to clean your rented equipment, a cleaning fee will be charged to you.

**PAYMENT**

Rental fees are due in advance, on or before delivery or pick-up by customers. There is a security deposit required most rentals. If an equipment is damaged, the replacement and/or repair cost will be subtracted from the deposit and/or billed.
